

# NDEJJE UNIVERSITY ANTHEM

1. Oh Lord on high and lo'ty  
We vow to break cages of darkness,  
Choicest seed man steered,  
By pillar of light – ancient of days.

Arise, Oh Ndejje University,  
Tak'on time's tempest challenges  
Mission: reverence attains knowledge,  
And wisdom, seek in faith.

2. We are armed with arrows of God,  
Radiating as the light of truth:  
To nurture earth's seedlings  
To restore Eden's lost glory.
3. Youth, vow to search wisdom;  
You, the elders of Uganda 'nd beyond  
Cherish multicultural harvest,  
Soon'n the throne of time repose.
